
**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF UTAH**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

CARLOS ZUNIGA-HERNANDEZ,

Defendant.

**ORDER GRANTING
MOTION TO SUPPRESS**

Case No. 1:18-cr-53

Judge Clark Waddoups

Before the court is Defendant Carlos Zuniga-Hernandez's Motion to Suppress (ECF No. 31), in which he seeks to suppress "all statements made by Defendant to Detective Grogan and translated, sometimes with difficulty, by Agent Anderson during his custodial interrogation on March 29, 2018." At a status conference held by the court on June 25, 2019, the parties represented that they have agreed to the basis of the suppression, and the Government does not, therefore, object to Mr. Zuniga-Hernandez's motion. As such, the court **HERBY GRANTS** Mr. Zuniga-Hernandez's Motion to Suppress (ECF No. 31) and **HEREBY BARS** "all statements made by Defendant to Detective Grogan and translated, sometimes with difficulty, by Agent Anderson during his custodial interrogation on March 29, 2018" from being used by the Government as evidence in this matter.

DATED this 27th day of June, 2019.

BY THE COURT:

Clark Waddoups
United States District Judge
